

## Norman Coalition for Refugee Support

St. Michael's is now part of this eight-church coalition. We together to help the families.

What we do?

The Coalition works with Catholic Charities to bring refugee families to settle in Norman.

Our job is to house, clothe, feed, drive where needed and care for these families until they become self-supporting. This mean setting up a house with all needs, furniture, appliances, bedding, dishes and more. We do this by asking for donations through sign-up genius or direct donations of money or items requested.

Our goal is to have them self-supporting at six to seven months.

As of now, we have three families in Norman. At least four more will be here soon. Two ladies are pregnant so we will have newborns soon.

We need cash donations for rent, utilities, medical (until they are on Sooner Care) clothing (as needed) rides to appointment, job interviews, ESL classes, children to school. It is a massive undertaking and we can only do it if we have the support of our congregation.

If you are willing to donate cash, please make a check out to St. Michael's (or use our Cash app with a memo NCRS ) and we will then give the money to the coalition.

If you can give your time or donate items go to either or both of these links.

The furnishings and supplies will change so check back often. Scroll to the bottom as new items will be down there. Please comment that you are with St. Mikes.
